Planet Hollywood is the perfect choice for pre or post Lumiere London dining and offers a unique Hollywood inspired dining experience. There's a friendly, buzzing atmosphere and a great vibe. Come and enjoy tasty dishes from extensive A La Carte Menu including Burgers, Pastas, Pizzas and Asian dishes. Movie clips and music videos of all genres are placed on plasma screens, which with one text from your mobile, you can display your own personalised message.

Hollywood is the backdrop to the main restaurant and also the inspiration for the theming with over 85 pieces of authentic original film memorabilia. Look out for Charlie Chaplin's trademark canes, Pierce Brosnan's 007 outfit from Golden Eye and Captain Kirk's communicator from the Star Trek TV series!
